

LOCATION

New World Chongqing Hotel is located in Chongqing Science City, in the heart of Yuhu Island in the city's Bishan District, adjacent to Xiuhu Park, a national tourist attraction renowned for its stunning natural beauty. The hotel is 4.6 km from Bishan Light Rail Station, 9 km from Bishan High-speed Railway Station, 24 km from Chongqing West Railway Station, 33 km from Chongqing North Railway Station, and 45 km from Chongqing Jiangbei International Airport.

STYLE

The overall design of the hotel lays emphasis on the harmony between architecture and natural & humanistic environment. The design not only inherits the long-standing cultural charm of Bishan County landscape. It also integrates the interpretation of the contemporary high-end lifestyle by the brand of New World Hotels & Resorts.

ACCOMMODATION

The hotel has a total of 200 rooms and suites. The overall design of the hotel incorporates landscape charm of local cultural and presents contemporary high-level living style. In the suites, tourist can have a great view of the Imperial Lake. The interior decorations of suites adopt contemporary style and pair with burlywood furnishings and muted palette interiors. The decorations of the suits are based on the theme of "Eight Views of Bishan", and together with modern decorative elements, to demonstrate the unique charm of local culture fully.
